A MESSAGE FROM SOLLY ADAM

I have spent the best part of my life in the world of cricket, and loved every minute. Be it in front of the wicket, or behind my desk at Solly Sports, cricket has always been my passion.

As sponsor of a number of leagues across the region, in particular The Solly Sports Heavy Woollen Cup (one of the longest running cricket competitions in the world), Solly Sports is determined to do what we can to help grass roots cricket.

As a business, Solly Sports aims to provide you with the best personalised service possible. Whether you're not sure what cricket equipment to buy, or need your old faithful bat repairing, we're here for you.

This year we have expanded our range of personalised equipment and clothing even further, including a brand new range of our own Solly Sports products, and the latest Adidas eyewear.

We hope to see you at our store or online soon!

Gel Speed Menace Shoes

Asics has come up with an all new slant on the cricket 'bowling boot'.

These are cricket shoes that work with the foot and can help reduce the loads that possibly contribute to stress fractures and other foot ailments fast bowlers sometimes suffer from.

A new forefoot plate system makes the forefoot extremely rigid in saying this, it works far better than 'adapted' shoes at the time of propulsion. These cricket shoes are manufactured to achieve this; its a complete structure unlike the 'adapted' type boots that players often wear.

The inner comfort of the upper is totally supportive as well, with an internal brace strapping system and Velcro strap on top of the foot.

To top the performance characteristics, there is the new P-GUARD system at the toe to protect from dragging and increased longevity of the shoes.

Solly Sports is proud to be the largest stockists of Asics Cricket Shoes in West Yorkshire. The full range is available in-store and online.
